INFO

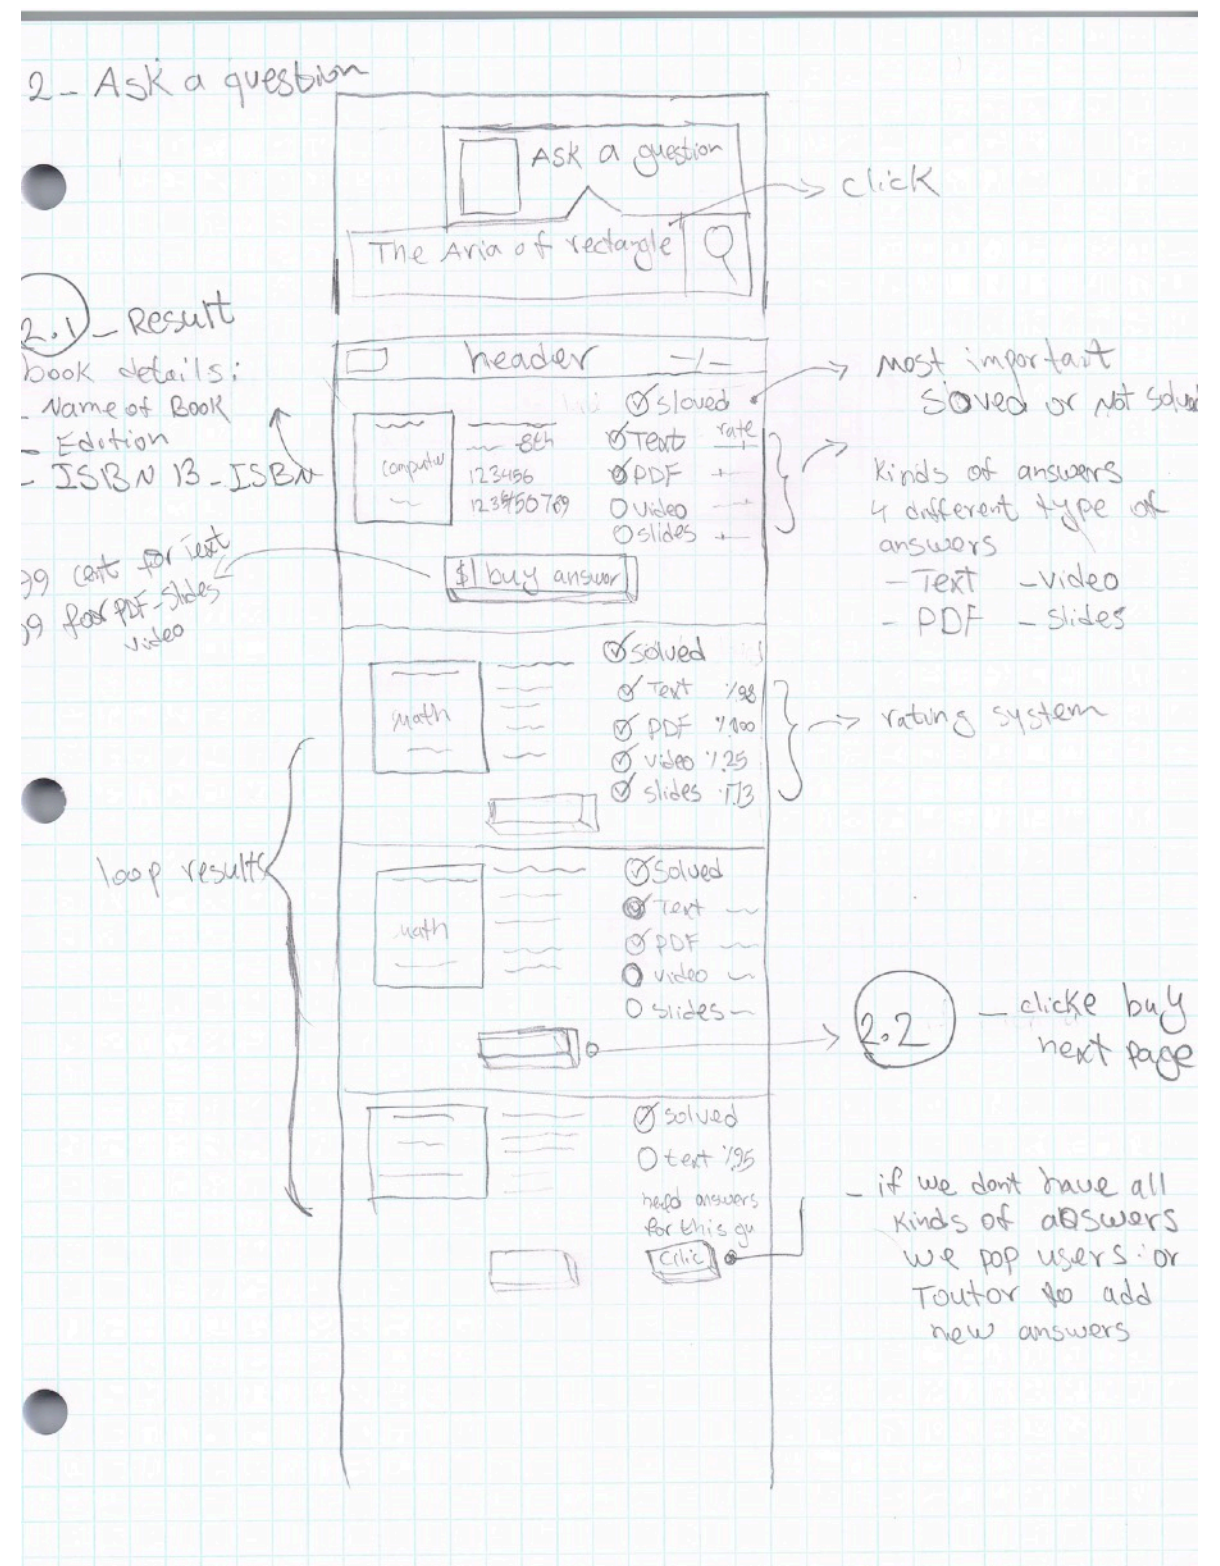

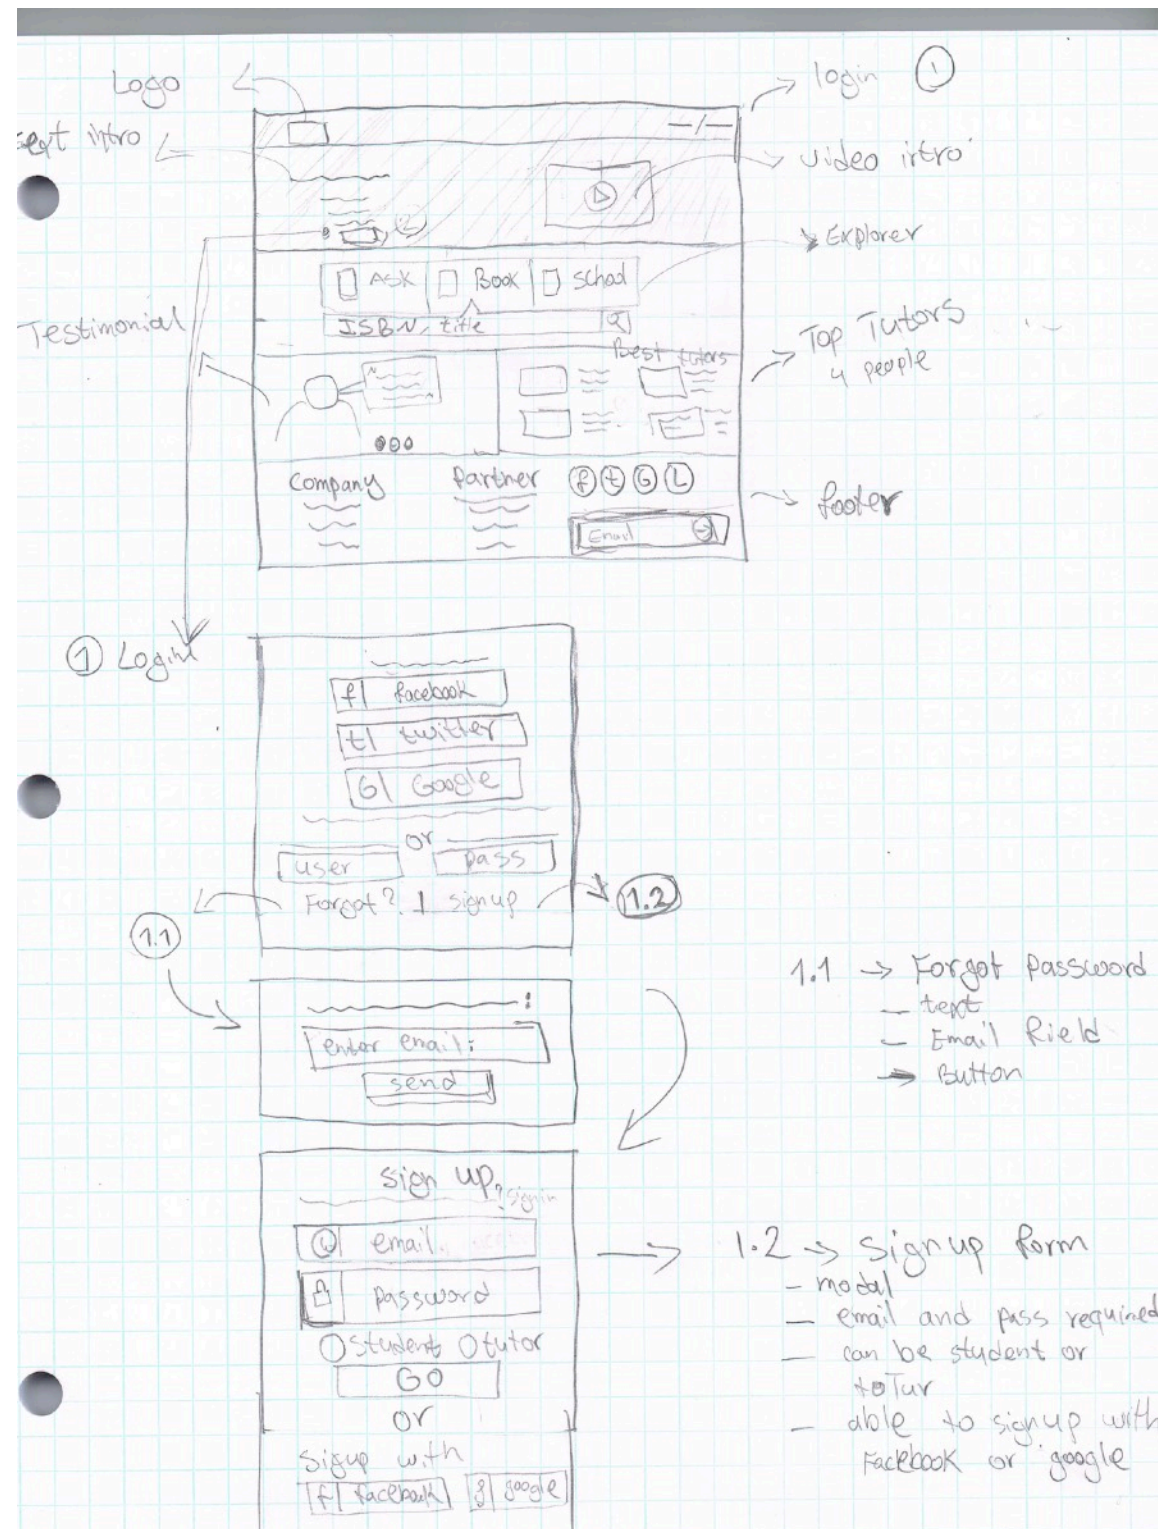

JUNIOR UI/UX DESIGNER

TuTyo is a small start-up provides a Digital Tutor for students to study, share, compare and ultimately master course material alone or together. The idea behind it is online tutoring for problem-solving from any classes at Diablo Valley College. As a team member I was responsible for:

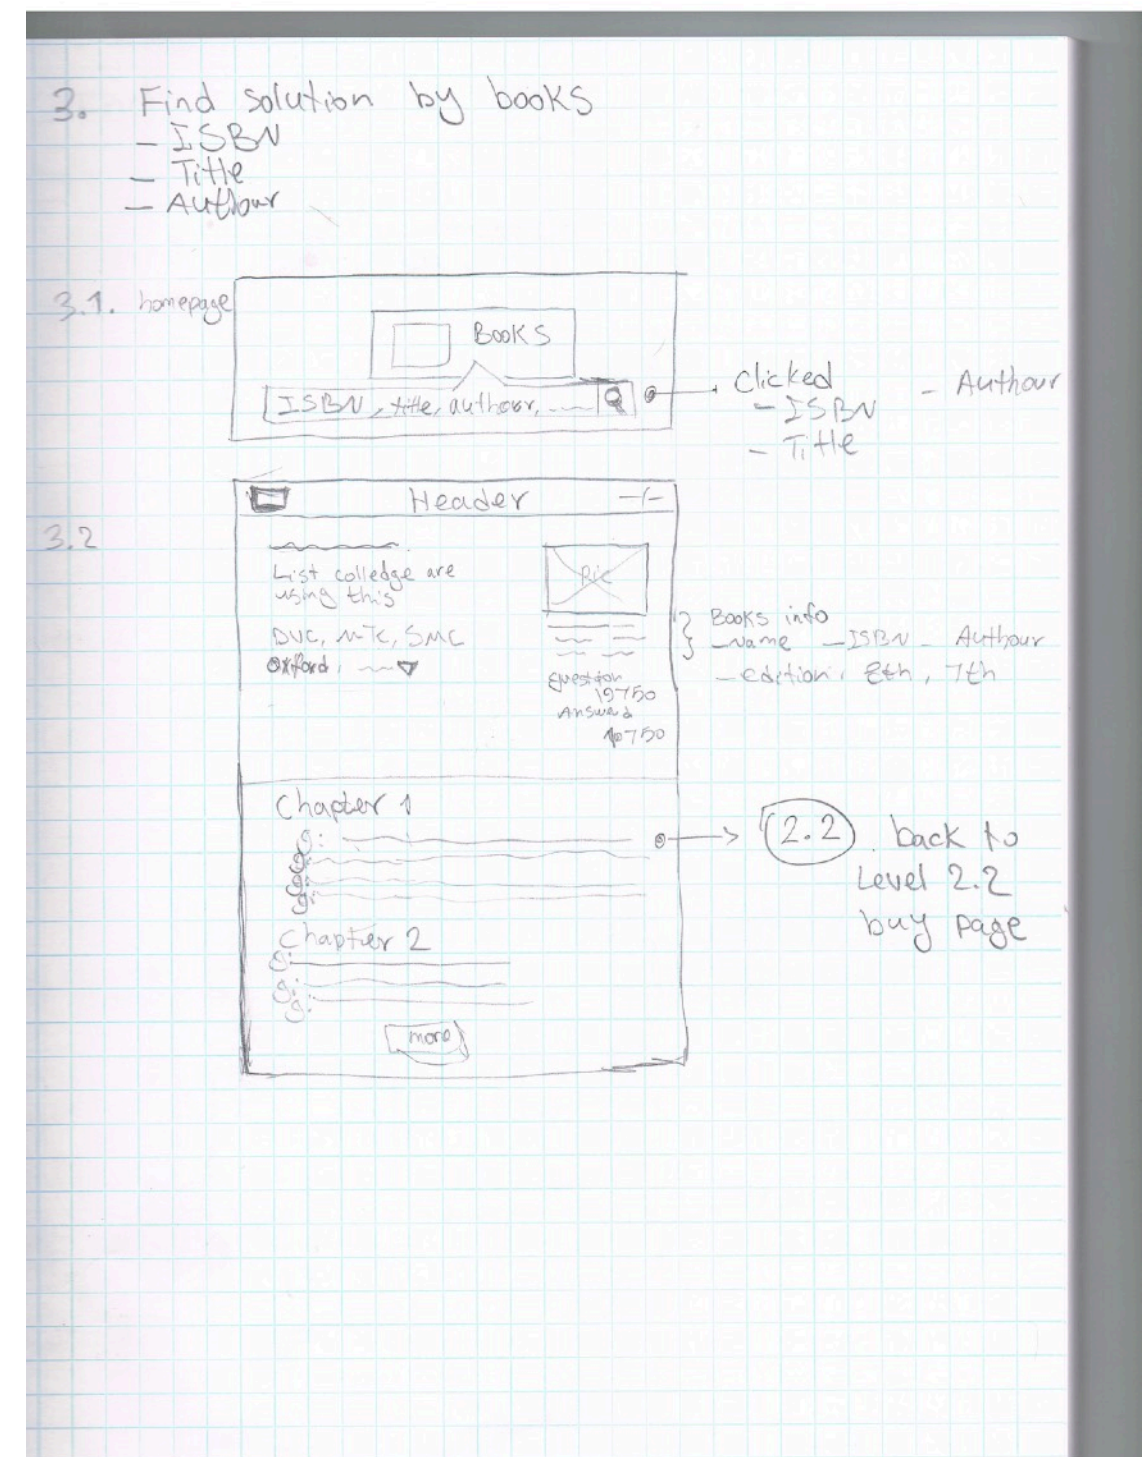

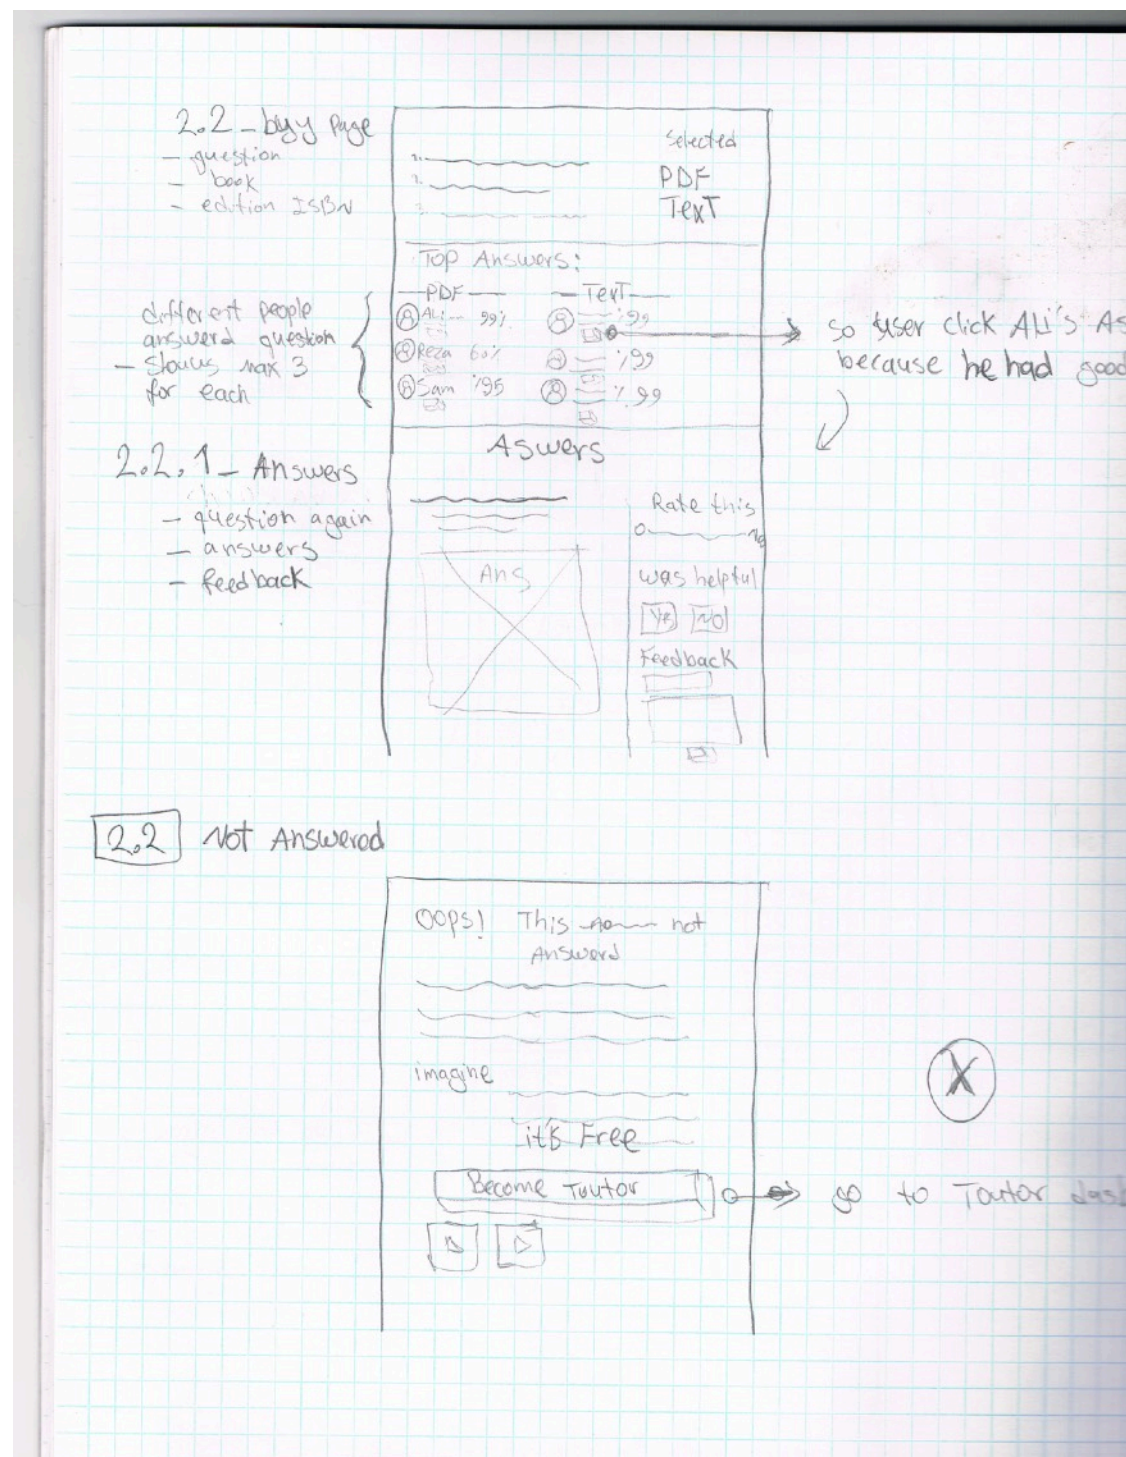

- ▶ Execute all visual design stages from concept to final hand-off to engineering
- ▶ Working mainly with Sketch 3 to create wireframes, storyboards user flows and site maps to effectively communicate interaction and design ideas

VISUAL DESIGN: USER 1

A form titled 'Organize Your Profile' for editing a user's profile. It includes a profile picture placeholder with a 'Change Your Pic' button. Below the picture is the user's name 'Mahboubah Matin', their affiliation 'Diablo Valley College', their role 'Computer Information System', and their start date 'Work here since 7/2015'. There are also social media icons for Twitter, Facebook, and Google+. The form contains several input fields: 'First Name', 'Last Name', 'City', 'State' (dropdown), 'Zip Code', 'Intrest #' (dropdown), and a large text area for 'Write about yourself'. At the bottom are 'College' and 'Department' dropdowns, and 'Facebook' and 'Tweeter' input fields. A green 'SAVE' button is in the bottom right corner.
