Certificate of Achievement

Lynda, Teamtreehouse, Codeacaemy, Codeschool, Pluralsight, Udemy and Tutsplus

2015 to 2016

I started to learn web development by myself. I was really passionate about learning web development, so I started from Codeacademy.com and finished all web development course in less than 1 months course included: (HTML, CSS, Javascript). Then I attend to Lynda.com and got more than 20 certificates in Web development includes (HTML5, CSS3, Bootstrap, Foundation, Javascript, jQuery, AJAX, SASS, KnockoutJS). I learned some intermediate course in Codeschool.com and Teamtreehouse.com and Udemy.com like (DevTools, Javascript, jQuery, Git and Github, Website Optimization.)
